

Regenia Crane
Phoenix Academy Transformational Leader

Message from the Principal:

Welcome Back!

It's a new year and I'm excited. Why? What a great question to ask a principal who "Loves what she does and does what she loves".... Making an impact on every student, every day is my passion. We have been preparing for every student's success as we are anticipating more graduates for the 2017-18 school year. Last year we celebrated the graduation of 108 students. We know that they are prepared for the next step as we have designed an individual plan for each student in anticipation that they will pursue their dreams and goals after graduating. We want to welcome our new parents and encourage you to continue the partnership in your student's education at The Phoenix Academy. Here at Phoenix our goal is to provide our students with academic excellence. On August 28th, we look forward to seeing you at "Meet the Teacher" night. You can also [meet some of our amazing teachers online](#).

At the Phoenix, we want every student and parent to have a positive experience, so, feel free to stop by and/or give us feedback.

Mission: To inspire and educate students to graduate and become productive citizens.

Vision: A destination campus committed to innovation and excellence.
