

A message from the Principal...

It's almost springtime!!! At The Phoenix we are still on an amazing journey. Students are preparing to graduate and walk across the stage. We have some incredibly talented and gifted students who are dreaming big. Thank you to our parents and the community for supporting and being part of the cheerleading team for our students. As we move toward the finish line of the 2016-17 school year, don't forget to follow us on twitter and Facebook. Our district continues to make Vision 2020 a reality, so keep up with what's going on in all of our great schools.

So what's next? For graduating students, purchase of caps and gowns and invitations is coming up as well as prom and other senior activities. Check out your home campus website for important information, dates, and deadlines. We want our students to have the full experience of being a senior. Don't forget to join me and have "Iced Tea with the Principal" in March.

We are finishing strong at The Phoenix and look forward to celebrating our successes with all of you. You ask why, because you help to make us who we are and we appreciate it.

Finally, if you are interested in supporting us by volunteering, call our campus and I'll be glad to speak with you. Go to the MISD website and complete the volunteer application. Thank you again for your support and being a voice for students who are rising to greatness!

Make a difference everyday for every student!
Principal Crane
